High Voltage Wire Clipped by Plane

JACKSONVILLE, Ark. (AP) — A Navy pilot participating in a low altitude flight test flew a little too low Saturday and clipped some 12 feet of wire from a 66,000-volt transmission line on U.S. 70, about nine miles east of Hugo, Okla.

The A4C Skyhawk piloted by Lt. William P. Olsen of the 124th Light Attack Squadron based at the naval air station in LeMoore, Calif., landed safely at the Little Rock Air Force Base here, still trailing the 12-foot section of wire.

Base spokesmen termed damage to the single-engine jet attack bomber "considerable." Portions of its fuel tank and stabilizer had been ripped off. Olsen was not injured.

Electrical service in the southeast Oklahoma area was disrupted, and the broken power

Smithy Decides to Close Out

ST. LOUIS (AP)—Thomas Filla, 81, plans to close his blacksmith shop on Sept. 1 after 45 years at the same location.

"In the good old days, that wall over there was lined with horses waiting to be shod," Filla said. "I haven't had a horse in here for years. All I do now is sharpen and make tools."

A gasoline station is going to take the place of Filla's smithy.

er line touched off a fire that burned 15 to 20 acres of brush and scrub timber.

Olsen was participating in reconnaissance and radar-evasion tests being conducted by Joint Task Force Two, headquartered at Albuquerque, N.M. The Task Force planes, operating from the LRAFB here, have been conducting low level flight from the Norfolk Reservoir in North Central Arkansas to the Oklahoma border near De Queen, Ark., and in areas of Oklahoma.

Minnesotans to Pay Sales Tax

ST. PAUL, Minn. (AP)—Minnesota becomes the nation's 44th sales tax state Tuesday when a 3 per cent sales tax goes into effect.

The tax applies to most retail purchases, but exempts groceries, clothing, prescription drugs and professional services. It is expected to raise \$160 million a year.

The sales tax was enacted last June 1 by a Republican-controlled legislature over the veto of Republican Gov. Harold LeVander.

Probe of LSD Continues at Fayetteville

FAYETTEVILLE, Ark. (AP) — Fayetteville police were continuing investigations today into two incidents in which Fayetteville youths were hospitalized after taking what was believed to be hallucinatory drugs.

Two youths were taken to a hospital here Thursday night by

an unidentified man who told hospital officials that he had found them in a parked car near the University of Arkansas football stadium.

They were diagnosed as having taken LSD. They were released after treatment, one Friday and the other Saturday.

Two other youths, one 15 and the other 16, were found wandering in woods southeast of here last Monday. One was hospitalized.

None of the youths were University of Arkansas students.

Traffic Kills 3 Persons in Arkansas

By THE ASSOCIATED PRESS

Traffic accidents killed three persons in Arkansas during the weekend period from 6 p.m. Friday until midnight Sunday.

Dead are Robert Lyles, 59, of El Dorado; Mae McAdoo, 33, of Traskwood (Saline County) and Zen Barrett, 60, of Fordyce.

State Troopers August Pieroni

and Travis Nash said Lyles' neck was broken Sunday when he was thrown from the pickup truck he was driving after it went out of control and smashed into an embankment on a Union County road about two miles south of El Dorado.

Trooper Bill Dyer said the McAdoo woman was killed Friday night when her eastbound car left the pavement, plunged into a ditch and struck a bridge abutment on a Saline County road about 13 miles southwest of Benton.

Trooper Graham Lewis said

Barrett, a pedestrian, was struck Friday night by a car driven by Raymond Earl Sooggin, 19, of Wilmar (Drew County), who was southbound on Arkansas 8, about a half mile north of the Cleveland-Bradley county line.

Arkansan Dies in Okla. Wreck

SALLISAW, Okla. (AP)—William O. Gordon, 46, of Alma, Ark., was one of two persons killed Saturday in a two-car accident on U.S. 59, about seven miles south of here.

Wedding Vows Are Repeated

MRS. JAMES MCLARTY, III
Westminster Presbyterian Church, Hot Springs, was the setting for a candlelight ceremony, uniting in marriage, Miss Sally Anne Norman and Mr. James Alonzo McLarty, III, Saturday, July 29th. The bride is the daughter of Colonel and Mrs. Robert A. Norman of Hot Springs, and the groom is the son of Mr. and Mrs. James A. McLarty, Jr. of Hope.

The Reverend Robert Stewart performed the double ring rite at 8:00 in the evening before a background of four brass candle-labors with white tapers and ar-

rangements of white shasta daisies and yellow roses. The pews were marked with white ribbons.

Mrs. Ellen Kuester, at the organ, provided favorite selections of the young couple.

The bride was given in marriage by her father, Colonel Robert A. Norman. She wore an empire gown of ivory linen. Venetian lace accented the square neckline and sleeves. Her veil was fashioned of silk illusion and fell in tiers from a matching coil of Venise lace flowers. She carried a bouquet of daisies centered with gardenias.

Miss Frantiska Norman, attending her sister as maid of honor, was attired in a long yellow empire style dress of silk linen. She wore a ring of daisies in her hair and carried a nosegay of daisies and yellow rosebuds.

Mr. James A. McLarty served his son as bestman. Ushers were Robert Norman, brother of the bride, and Philip and Tony McLarty, brothers of the groom.

A reception was held immediately after the ceremony in the Church parlor. The beautifully appointed table was covered with a white cloth, overlaid with net. It was centered with a tall candle-labors of silver, arranged with shasta daisies and yellow rosebuds in a crystal bowl.

Assisting the guests were: Mrs. Bryan Day, Mrs. Rodney Polrot, Misses Carol and Nancy Boyd, all of Dallas, and Mrs. Linda Homberg of New Orleans.

For her wedding trip to San Francisco and Hawaii, the bride chose a navy dress of linen, double breasted with brass buttons. With it she wore navy shoes piped with red, navy purse and carried white gloves.

The mother of the bride wore

Diamond Head Cause of Bitter Dispute

By WILLIAM H. DONHAM
HONOLULU (AP) — Two views of Diamond Head, as food for the soul or fodder for the developer, have made Hawaii's famous landmark the centerpiece of an increasingly bitter dispute in the islands.

On one side is the Diamond Head Improvement Association. It wants to dot the lower slopes of the 761-foot extinct volcano with luxury, high-rise apartment buildings and hotels.

On the other side is the Save Diamond Head Association and assorted allies. They think nothing can be done to improve Diamond Head except to leave it exactly as it has been for 15,000 years.

Arguments over what should, or should not, be done with Diamond Head have flared intermittently for years, since the

long line of tall hotels first began creeping along Waikiki Beach toward the mountain.

The dispute intensified with a vengeance last March when several landowners organized the Diamond Head Improvement Association. The group, headed by Honolulu financier Chinn Ho, envisions a \$40-million hotel-apartment complex—a 1,800-unit development of at least five buildings—on 8.3 acres of Diamond Head.

George K. Houghtaling, former planning director of Honolulu and now spokesman for the improvement association, said the buildings would be 10 or 11 stories, but none would rise more than 100 feet above sea level. Diamond Head is the ideal place to build, he said, because it is a natural extension of Waikiki.

That, said opponents of the plan, is exactly what they're afraid of, that once high-rise construction is permitted, Diamond Head will soon look exactly like Waikiki, lined by a seemingly endless row of tall buildings.

After hearing both sides, the Honolulu Planning Commission voted 4 to 2 against the high-rise development, recommending that the City Council refuse to make zoning changes that would permit construction to begin.

What the City Council will do remains a question, but public sentiment appears to be overwhelmingly against altering the profile of Diamond Head. David Thompson, a longshoremen's union official, pretty well summed up public reaction.

Ho's plan, he said, "would turn a little bit of heaven into a little bit of Los Angeles."

Television and Radio

By Elizabeth Montgomery
For Cynthia Lowry
HOLLYWOOD (AP) — One of the questions I am most frequently asked is, "If you could make wishes come true by twitching your nose, what would you wish for?"

As a result of playing Samantha in "Bewitched" people have flattered me by thinking that I am an authority on the subject.

All right, I'll try to answer the question.

If I had the power, I don't think I'd use it any more than Samantha does on the show. Bill, my husband, William Asher, producer-director of "Bewitched", wouldn't let me anyway, just as Darrin doesn't allow Sam to indulge herself.

My nose is fairly small and I thus would have to twitch up fairly small things. If I had Jimmy Durante's nose, my capabilities could probably arise to untold heights. Come to think of it, after watching him I am not sure that Mr. Durante isn't a warlock—a male witch—and one of the most charming!

I would be content to twitch over little things, little things that annoy me. I would have a constant supply of well-sharpened pencils. There would always be a parking place waiting for me. Any puppy coming into the home would be instantly housebroken. There would be no weeds in the garden, no brown spots on the lawn, no dirty dishes in the kitchen.

There would be no such things as wet paint, nor would it rain until at least two days after the car—or broomstick—has been washed. And every time I picked up a quarter, it would be one of those nice solid, old-fashioned silver quarters. Copper is for pennies.

There's one more question

Chisox Split, Yanks Sweep Two Games

By RON RAPOPORT
Associated Press Sports Writer
When Washington overpowered California 11-1 in the first game of a doubleheader Sunday, it was done with a couple of quick, artistic shots.

But when the Angels came back to take the second game 10-2, they displayed all the quiet finesse of a herd of stampeding buffalo.

There is hardly room on this page to account for California's nine-run seventh inning in the nightcap. It may be enough to say that the first 10 Angels to bat in the inning reached base, but that only five of them had hits and four of those were singles.

Add to this the fact that Washington had to use four pitchers before they could register one out, that the Angels scored on a wild pitch, an error and sacrifice fly as well as on their legitimate hits, and you may have some idea of what the Senators were up against as they saw a five-game win streak evaporate.

Elsewhere in an abundant American League schedule Sunday, Chicago split with Detroit, winning 4-1 and losing 7-1, Cleveland divided with Baltimore, winning 8-3 and losing 4-2, New York swept a pair from Kansas City 7-2 and 5-2 and Minnesota beat Boston 7-5.

In the National League, Chicago split with Cincinnati, 8-4 and 2-3, Houston won two from New York 6-5 and 9-1, St. Louis beat Atlanta 7-5, Pittsburgh edged San Francisco 4-3 and Los Angeles shut out Philadelphia 1-0.

In Washington's opening-game romp, Paul Casanova cracked a grand-slam home run and Frank Howard, continuing his hitting spree, contributed a solo shot.

But in the nightcap, neither Joe Coleman, Dave Baldwin nor Dick Lines could retire an Angel in the disastrous seventh inning. It wasn't until Casey Cox came on the scene that the Senators escaped. Jim Fregosi's two-run triple was the only thing resembling a big hit in the inning.

Chicago rode Joe Horlen's four-hit pitching in the opener and got a two-run double from Pete Ward and a two-run single from Walt Williams. Johnny Podres set the White Sox down on three hits in the second game, with Willie Horton hitting a three-run homer for Detroit.

Vern Fuller and Max Alvis each drove in two runs for the Indians in the opener with Sam McDowell limiting the Orioles to seven hits. Dave May's first major-league homer, a two-run shot, paved the way to Baltimore's triumph in the second game.

The Yankees got homers from Tom Tresh, Jake Gibbs and Horace Clarke in the opener with Al Downing stopping the Athletics on seven hits. Steve

Racing Going Back to Saratoga

By TED MEIER
Associated Press Sports Writer
Thoroughbred racing returns to historic Saratoga Track in Saratoga Springs, N.Y., today, but the big races of the week are at Monmouth Park and Arlington Park on Saturday.

Damascus, the Preakness and Belmont Stakes winner, is scheduled to go in the \$100,000-added American Derby at Arlington in Chicago in his last race before his much-anticipated return meeting with Dr. Fager in the Travers at Saratoga Aug. 19.

The best of the 2-year-old colts are expected to make a big field for the \$100,000 Sapling Stakes, the annual closing day feature at Monmouth in New Jersey.

The first Saturday feature at the 104-year-old Saratoga oval is the \$50,000 Whitney Stakes for older horses.

The highlight of the meeting is expected to be the Damascus-Dr. Fager clash in the Travers. The race is almost certain to decide the 3-year-old championship. Dr. Fager, who passed up the Triple Crown classics, beat Damascus by half a length in their first meeting, the Gotham Mile at Aqueduct.

With weights based on money won during given periods, Damascus will carry topweight of 126 pounds while in Reality, winner of the Jersey Derby when Dr. Fager was disqualified, gets in with 120.

Unbeaten Queen of the Stage, \$2,600, won her fourth straight in accounting for the \$103,650 Sorority at Monmouth Park last Saturday. She was all out to beat Cockey Miss, an \$8,000 yearling buy, by one-half length.

Stablemate What A Pleasure, also undefeated in three starts, will try to give the Phipps family a sweep of Monmouth's rich 2-year-old stakes when he goes after the Sapling this Saturday.

Straight Deal scored in the \$118,275 Delaware Handicap at Delaware Park.

Barber hurled a three-hitter in the nightcap and Roy White and Bill Robinson each drove in a pair of runs.

Rod Carew got four hits, including a homer, and Harmon Killebrew got home run No. 32 for the Twins. The Red Sox scored four times in the ninth before Jim Roland, the third pitcher in the inning, got Carl Yastrzemski to pop in front of the mound and Rich Reese caught the ball for the final out while sitting on the mound after colliding with Cesar Tovar.

The Braves had taken a 5-4 lead in the sixth on a run-scoring single by Hank Aaron, who had four hits. Atlanta outlived the Cards 15-11, but stranded 13 base runners while dropping its third straight.

Ernie Banks knocked in four runs with a pair of singles in the Cubs' first game victory at Cincinnati but the Reds bounced back in the nightcap with the help of Pete Rose's two-run single in the third. The split dropped the second place Cubs 3 1/2 games behind St. Louis.

Vernon Law registered his first victory of the year after six setbacks as the Pirates built a 4-0 lead and then weathered a three-run Giant rally in the ninth. Roberto Clemente's two-run homer broke a scoreless tie in the sixth and Pittsburgh added the necessary insurance in the ninth on Maury Wills' lead-off homer and Donn Clendenon's RBI single.

Jim Hart's run-scoring double chased Law in the ninth and Bob Etheridge led a two-run single off Elroy Face before the Pitt reliever got the last out.

Lou Johnson's eighth-inning homer, only the fourth hit of southpaw Chris Short, lifted the Dodgers past Philadelphia. Right-hander Don Sutton scattered eight hits for his seventh victory in 19 decisions.

Swimmers Fabulous in Pan-Am Meet

By MURRAY ROSE
WINNIPEG (AP) — Some of the world record-breaking swimmers on the fabulous United States' swimming and diving team say they haven't "peaked" yet although they're all but settling fire to the Pan American pool here with their spectacular displays.

So far they and Canada's Elaine Tanner have combined to crack 11 world records. And there's a good possibility that the world marks in the five swimming events today may come tumbling down.

Both Mark Spitz, the 17-year-old sensation from Santa Clara, Calif., and his 21-year-old teammate, Don Schollander of Saratoga, Calif., say they're aiming to reach their peak for the Men's National Amateur Athletic Union Championships at Chicago, Aug. 11-12-13. The Women's Championships will be in Philadelphia a week later.

At stake in the Nationals, in addition to titles, will be trips to Mexico for the Little Olympics, a European tour, and berth on the U.S. team for the World University Games in Tokyo.

Four listed world marks were smashed Sunday—one by Miss Tanner, Canada's "Mighty Mouse"—as the Yanks won five of the six swimming and diving events for a total of 19 victories in 23 events.

In track and field, the U.S.A. athletes picked up six of the seven golds for 10 of the 11 titles in two days.

There were other golds harvested by the United States in weight-lifting—by middleweight Russell Knipp of Pittsburgh and light heavyweight Joe Puleo of Detroit—and in skeet shooting by Allen Morrison of Quantico, Va., with a score of 97-98-195.

Over-all, the United States bagged 14 golds, seven silvers and four bronzes Sunday for a total of 127 medals—66 gold, 36 silver and 25 bronze. Canada is second with 47 medals (5-19-23), Cuba third, 21 (3-6-12) and Argentina fourth, 15 (4-6-5).

The swimmers and divers will hog the spotlight again today as the track and fielders take a day off.

In the five swim events, the world marks are liable to fall to Spitz in the 100-meter butterfly; to 15-year-old Cate Ball of Jacksonville, Fla., in the 100-meter breaststroke; to Miss Tanner, Claudia Kolb of Santa Clara or Lee Davis of Saratoga, Calif., in the 200-meter butterfly; to Charlie Hickox of Phoenix, Ariz., in the 200-meter backstroke; and the Schollander-Spitz sparked 800-meter freestyle quartet.

On Sunday, Miss Kolb, a 17-year-old Olympian, touched off the world record spree with a 2:26.1 clocking in the 200-meter individual medley.

WINNING SMILES brighten the day at the Pan American games. First Marion Lay, left, of Canada, broke the Pan Am games women's 200-meter freestyle record with a 2:16.4 in a trial heat. Then Pamela Kruse, right, of Pompano Beach, Fla., came right back to break Marion's record with 2:15.7. Easy come, easy go these days.

Hope Power Batters Smackover for Little League Dist. Title

By RALPH ROUNTON
Star Sports Writer
Playing like they had something to prove, the Hope Little League All-Stars did just that, slashing Smackover 23-3 in Monticello to win the district tournament and grab a berth in the state meet here this week.

For six innings this squad kept battering away at the opponent, seemingly like a boxer who uses the opposition as a punching bag. The Hope team proved without a doubt what has been said of them all along; if they can't do anything else, they can hit. And hit they did.

After scratching up two runs in the first inning, the locals exploded. When all the dust had cleared in the second inning, the scoreboard showed Hope with 10 runs on 12 hits, and a goose-egg for Smackover. A strong contingent of local fans had seen their team bat 12 batters in that second inning, and they had seen Smackover bat exactly three.

With pitcher Mike Pinegar holding down the shutout didn't need, the third inning went scoreless. But a hitting team cannot be held down more than one inning at a time, so Hope figured the fourth would be sweet. How sweet it was! Sending 10 batters to the plate in this one, Hope ran their run total even higher as the fans wondered if they would get away by midnight.

Then, in the bottom of the fourth, the bubble burst for Smackover as they scored a pair of runs. But it was a little too late, because that put the score 17-2, and Hope still had two more turns to bat. Smackover crept closer, scoring another run in the fifth, but Hope locked the door and swallowed the key in that sixth inning.

Six more runs, six more hits, and, of course, the storybook ending, as Mike Pinegar fanned the last two Smackover batters. All in all, Hope scored 23 runs on a mere 26 hits. There is some hope left for Hope, after all.

Recognition is due every All-Star, but a few shone a little brighter. Danny Boyette picked up 5 singles in five trips to the plate. Rusty Worthy went 4 for 5, and David Huddleston, Wade Harris, and Paul Young each collected three hits. Praise is also due another All-Star, Bruce Joyce; although not spectacular at the plate, caught the best two games of his life in Monticello. Possible wild pitches were saved time and again by Bruce, and in those two games he also threw out 3 runners.

So our fans can sit back and rest for a while anyway, at least for a couple of days. Then Thursday and Friday the State Tournament comes to K Park. Besides Hope, other teams represented will be from Little Rock, Corning, and Pine Bluff. The pairings will not be announced until

American Is Winner of Disputed Title

WINNIPEG (AP) — It took only one hour, 33 minutes and 5.2 seconds for Tom Laird of Pomona, Calif., to cover the 20,000-meter Pan-American walk course.

But it took nearly 12 hours to decide positively and irrevocably that he had won the gold medal.

The confusion occurred as Laird pumped his way up to University Stadium ahead of the pack and took a wrong turn. One report said he was misdirected by a policeman; another said a sign, moved by a ticket-taker, was to blame.

Laird went heel-and-toe down the wrong path, realized he was in the wrong place and threw up his hands and began to walk away. Then he changed his mind, retraced his steps and crossed the finish line ahead of second-place Jose Pedraza Zuniga of Mexico.

The jury of appeal stated it had viewed films and ruled: 1. The error was not the fault of the winning athlete, Laird, of the United States. He was sent in the wrong direction. Laird, gained no advantage. The nature of his percourse was less 58 meters than the distance he was ahead of the second, place, about 350 meters.

FREE SIGHTSEEING TOUR OF ARKANSAS' MOST SCENIC OZARK MOUNTAIN REGION!

The Tourist and Recreation Committees of Fulton and Izard Counties, Melbourne, Arkansas (in behalf of Horseshoe Development Corporation), cordially invite responsible married couples to be their guests on a fabulous FREE SIGHTSEEING TOUR through the Arkansas Ozarks.

A special bus will leave Hope at 8:00 a.m. on Thursday, August 10 and return on Friday, August 11.

Will you be among the select group to make this wonderful trip? To find out, fill in and mail the coupon below. Selections will be made on a first-come, first-served basis. Your reservation will be confirmed by return mail. Remember, this is a bona fide FREE SIGHTSEEING TOUR!

You will travel in a luxurious air-conditioned bus. We pay your travel fare and all lodging. Your only expense will be your meals and your purchases along the way.

You will take a scenic route through the Ozarks to Marshall, Pleasant Ridge, Cotter and other enchanting Ozark towns and villages. You'll see the famous Buffalo River, Bull Shoals Dam, Lake Norfork, the world's largest fish hatchery, and many other famous sights. You'll parallel the White River, world famous for float fishing and Rainbow trout, on your way to Calico Rock where you will spend the night high in the hills.

Early next morning you will go to Horseshoe Bend, near Franklin, Arkansas. Horseshoe Bend is one of the nation's outstanding recreation-vacation-resort-retirement areas now under development. You will enjoy free of charge, many of our modern recreational facilities and you'll dine at our swank Turkey Mountain Clubhouse. You'll be given a complete tour of Horseshoe Bend and learn all about our unique private club membership plan, which includes privilege of land purchase. However, you will be under no obligation to buy, nor will Horseshoe Bend be under obligation to sell.

In the afternoon you will visit Melbourne, Arkansas, site of one of the many Ozark caves. You'll see an old-fashioned grist mill over 100 years old and still in operation. Your journey home will be through some of the State's most scenic Ozark foothill country.

Remember, selections for the tour will be made on a choice first-come, first-served basis. Fill in and mail the coupon TODAY to Horseshoe Development Corporation, Franklin, Arkansas.

My husband, our small daughter and I were in an accident. I was thrown free, but my loved ones were pinned in the car over two hours. Waiting and praying, I realized I had never really shown them how much I loved them, and I determined from that day to lavish affection on them.

Now they KNOW, and we're a VERY HAPPY FAMILY

This column is dedicated to family living, so if you're having kid trouble, or just plain trouble, let Helen help YOU.

SHORT RIBS

By FRANK O'NEAL

A father's face can be a mirror of pride, as he watches his daughter go out on her first date, or sees his son hit a home run. Sometimes, with just one reproachful look, a father can make you so ashamed of breaking a bottle of milk in the back seat of the car.

A father is someone you may love one minute and be angry with the next, but he makes you proud of yourself because he's proud of you. We love him—NANCY

Dear Helen:

So many people love deeply but aren't able to express their love. I was one of those until the good Lord opened my eyes.

Dear Helen:

Do you think animal dumpers mark house like hobs used to when they found easy marks?

In the last year we have become the unwilling protectors of two dogs, five cats, which subsequently presented us with three litters.

We have advertised dogs, cats and kittens to give away, begged friends to take them, but have had little response. We can't turn them over to the pound because we're too soft-hearted. Finally we paid a registered vet to put the last litter to sleep, which caused us great mental anguish.

How can people be so cruel as to dump their unwanted animals?—TENDER HEART

Dear T.H.

People dump their animals because they hope a "tenderheart" will find them, and it makes them feel a little less guilty—though it should make them feel more

one part of the prevention of this serious disease. Contact with known victims of active tuberculosis should be avoided. Your child should get some outdoor exercise daily, eat a well-balanced diet and get adequate rest daily. Then, even if he gets a tuberculous infection, he will be able quickly to build up an immunity to it.

Q—My daughters have been immunized against diphtheria, tetanus and smallpox but not poliomyelitis because I heard that a batch of the vaccine transmitted the disease instead of preventing it. Do you think the vaccine is safe now?

A—There was some trouble with one batch of Salk vaccine in California in 1955. Although the Salk vaccine is a killed vaccine, the killing of the virus in this one batch was faulty. The batch was promptly recalled. The Sabin vaccine has now almost completely replaced the Salk vaccine for protection against poliomyelitis. The Sabin vaccine in which the virus is greatly weakened but not killed has been found to be perfectly safe.

**Rumors Give
Little Rock
Race Jitters**

By GEORGE F. BARTSCH
Associated Press Writer
LITTLE ROCK (AP) — The
rumor mills that gave Little
Rock a bad case of jitters dur-
ing much of the weekend ap-
parently had ground to a halt
by Sunday.

Police officials said they had
received no more of the un-
founded rumors of racial dis-
order that kept many residents
on tenterhooks during what
proved to be a tranquil week-
end.

They had expressed some con-
cern earlier because the rumors
were so widespread and be-
cause some of them seemed
quite plausible.

There were reports, for exam-
ple, that employees at St. Vin-
cent Infirmary and at the
Southwestern Bell Telephone
Co., had been placed on a stand-
by basis because a riot was ex-
pected.

Had a riot been expected, of
course, there probably would
have been such alerts at both
the hospital and the telephone
company. Checks with hospital
and telephone company offi-
cials quickly proved the rumors
false, but what troubled police
was that so few people are
aware that such actions would
be taken.

What they wanted to know
was, "Who started the rum-
ors?"

Those as most of the rest,
were impossible to trace. Those
that could be traced seemed to
lead back to beauty shops,
supermarkets and other places
where people congregate and
exchange gossip.

Some of the rumors were
patently false — Those that H.
Rap Brown, Stokely Carmichael
and Dr. Martin Luther King
were in town, for instance. The
whereabouts of all three were
well-known. Carmichael wasn't
even in the country.

The rumors began cropping
up about mid-week. By Friday
night they were rampant. Calls
flooded in to Little Rock police,
the State Police, the Pulaski
County Sheriff's office and even
the FBI.

Each rumor was checked out.
Each was found to have no
basis in fact.

Many grew out of ordi-
nary incidents carelessly em-
brothered by witnesses. There
was the rumor that a Negro
man had been gunned down at
the corner of Third and Louisi-
siana.

Other rumors that proved

false were:
— That several carloads of Ne-
groes were arrested by State
Police as they were coming into
Little Rock on Interstate 40.
There were no such arrests.
— That the FBI had arrested
two Negro agitators from De-
troit. There were no such ar-
rests.
— That the Arkansas National
Guard had been placed on alert.
Adj. Gen. Charles H. Wilson,
awakened from a sound sleep
at his home, denied it.
— That a secret meeting was
held at Philander Smith Col-
lege, a predominantly-Negro in-
stitution supported by the Meth-
odist Church. No such meeting
transpired.
— That a riot was forming at

College Station, a Negro slum
area just beyond the southeast
city limits, and that rioters
were gathering at Seventh and
Main in downtown Little Rock.
There were no large groups at
either spot. A light rain had
left both areas more deserted
than usual.
There were many other rum-
ors — all of them equally false.
One police officer, questioned
for the umpteenth time about a
rumor, said: "Obscenity! This
obscene town's gone wild."
"The terrible thing," said an-
other officer, "is that this is
probably going on all over the
country. There's gonna be some
places that talk themselves
right into a riot."

**Violence Hits
Milwaukee
Negro Area**

By THE ASSOCIATED PRESS
Two persons, a policeman and
an unidentified woman, were
reported dead in Milwaukee,
Wis., today as violence flared
anew in widely scattered Negro
areas across the country, and
then was quelled. Three battal-
ions of regular Army troops
were ordered pulled out of De-
troit as the situation eased

there.
Bodies of the two victims in
Milwaukee were found near a
burned-out house. Police said it
had been a sniper's nest.
They counted 53 persons hospi-
talized, including 12 police-
men. There were 70 fires and
180 persons were arrested in the
sniper-torn, fire-ripped area
where 90 per cent of Milwau-
kee's 86,000 Negroes live.
Milwaukee Mayor Henry
Maier declared a state of emer-
gency and ordered everyone off
the streets. A drenching sum-
mer storm helped break up the
crowds.
Cyrus R. Vance, President
Johnson's representative in De-
troit, ordered withdrawn three

battalions of regular Army
troops sent to quell the violence
there last week. Paratroopers
also began leaving Detroit.
Despite President Johnson's
call for a day of prayer for civil
and racial peace, there were
outbreaks in Portland, Ore., San
Bernardino, Calif., Riviera
Beach, Fla., Wichita, Kan., and
Cleveland Ohio, Sunday night.
In Portland, National Guard
troops, especially trained in riot
control, and a large force of
state police were held in readi-
ness, after a night of looting
and vandalism in which 12 fires
were reported in the city's Ne-
gro area. A 30-block area was
sealed off.

**Convict Is
Recaptured**
LITTLE ROCK (AP) — State
Troopers stopped a stolen car
on U.S. 65 about four miles
south of here Saturday and dis-
covered that they had appre-
hended J. D. Cook, 42, of Tilar
(Drew County), a Tucker
Prison Farm inmate who had
escaped three days earlier.
Cook, who was serving a 16-
year sentence for kidnapping and
grand larceny, had been taken
to the Veterans Administration
Hospital here Thursday for a
physical examination.
Prison officials left him at the
hospital while they took another
group of prisoners elsewhere
and Cook left.

Dallas Report on Hope Story; Good Picture

Dean Murphy handed me this item from Dick Hill's column in Dallas Times Herald: FAITH, HOPE, AND ARKANSAS. Midweek Monitor—Love's labor lost: There's a young Dallas stockbroker, in his 20's, recently out of Navy service. While he was on active duty he wrote a letter to the editor of a Cleveland paper, asking for a feminine pen pal. He got one. They corresponded for a long time. Then, when he left the service, he came to Dallas. Last week was the big day. He and she planned by letter to meet for the first time. She was coming to Dallas. She didn't quite make it. She called him from Hope, Ark., to announce she couldn't go through with it. "I've decided," she said, "to turn around and go back to Cleveland." To her husband and two children, which she had had all along. One consolation is that the sailor-broker isn't exactly love-lorn. He had broken a date with a Dallas girl in order to be ready to welcome his postal princess.

"The picture of my father, Carl Bruner, which you published on Thursday, July 27, is the best reproduction of a photograph we have ever seen," writes Mrs. Talbot Felid, Jr., of Hope. "So many have called us and commented on the clearness, saying that it is the best of newspaper pictures."

Actually Mrs. Felid is paying tribute to our new offset printing plant. The old plant used the letterpress system, with hot-metal typesetters setting slugs, and pictures turned into engravings—and the whole thing reproduced under pressure on a flatbed press.

But with the offset system there is no pressure. It is a photographic system which transfers or "offsets" the plate image onto the paper as it goes through the modern press. Picture-printing is superb for two reasons: (1) The system is the offset, and (2) The out-of-town papers coming into Hope use coarse 65-line engravings, while our pictures are from fine-screen negatives, 100 lines to the inch.

In color we use an even finer screen, 110. Which reminds me that our color schedule for The Star has been interrupted by refrigeration trouble. Despite our all-new equipment we have encountered failures in the machine which is supposed to hold developing temperature within half a degree of 68 Fahrenheit. Process color printing depends on absolute temperature control, and we will resume just as soon as the refrigeration fault is cleared up.

3 Accidents Investigated Over Weekend

Three weekend accidents were reported by City police, none resulting in very heavy damage. Saturday afternoon on Tol-E-Tex hill on Highway 67 three cars in a funeral procession collided. An auto driven by Carson Green hit the rear of one driven by Floyd Turner and knocked the Turner vehicle into the rear of another driven by George Ross. The Green car was considerably damaged. Officers Neal and Ward investigated.

Also Saturday in the 500 block on S. Hazel fender damage resulted when cars driven by Joyce Smith, of Fulton and Carroll Yocom of Hope collided. Officer John Shirley investigated.

State Received \$21 Million

LITTLE ROCK (AP)—Arkansas was the second largest recipient in the nation this year of funds provided by Title I of the federal Elementary and Secondary Education Act of 1965, state Education Commissioner A. W. Ford said Sunday.

LBJ Asked Not to Seek Re-election

WASHINGTON (AP)—Fifty individuals identifying themselves as former Democratic National Convention delegates suggested to President Johnson today he could best serve his party by not running for re-election. Because of division over foreign affairs, they said in a letter to the President, "millions of Democrats will be unable to support Democratic candidates in local, state or national elections."

"There is no longer a unifying force within the party, and in its absence, a Republican landslide victory in 1968 seems imminent," the letter said.

"An early decision to withdraw may insure victory by some other Democratic candidate, if it succeeds in running the party."

The letter was distributed to newsmen by Citizens for Kennedy-Fulbright, a New York group urging Sen. Robert F. Kennedy of New York for president and repudiated several times this group's efforts. Fulbright has brushed them off with the comment that he doesn't know the organization's people and isn't a candidate for vice president.

Dr. Martin Shepard of New York, chairman of Citizens for Kennedy-Fulbright, called a news conference for today about the letter.

State Troop Kills Marshal Accidentally

BERRYVILLE, Ark. (AP)—A state trooper accidentally shot and killed the Berryville city marshal here Saturday night during a scuffle with a man the trooper had just arrested.

Carroll County Sheriff Orval Bishop said Charles Robbins, 39, the marshal here for the past six years, died within minutes after being shot as he moved in to aid State Trooper Oren "Bud" Foley.

Bishop said Foley's pistol discharged when he used it to strike Jerry Richard Doss, 34, of Berryville.

The sheriff said Doss had started a fight after being arrested for alleged drunkenness.

Doss was charged with drunkenness and resisting arrest after the shooting. He was being held in the county jail here.

On Question of the Mumps Just Hope You Are Not That 400th

By HAL BOYLE
NEW YORK (AP)—Things a columnist might never know if he didn't open his mail: It's possible to get the mumps twice, but only one in 400 victims does.

Whether you crunch candy, chew it, or suck it may give a clue to your character. British psychologists say crunchers tend to be "impulsive and volatile," chewers are "more extroverted," and suckers are "calm and well-integrated."

What's in a title? Quite a bit, our modern industrial society is finding out. For example: The term "credit manager" has come to have such an unpleasant ring in the ears of many customers that some firms are changing the title of that executive to "director of credit sales." But no matter what they call him, the bills still go out once a month.

In what part of the world does a single frog leg make a meal? Only in sections of western Africa, where the favorite delicacy of pygmies is earth's biggest frog, a species known as Rana goliath. These amphibian whoppers can grow to be three feet long and weigh as much as 11 pounds.

No wonder state air makes you dizzy. Your brain makes up only 2 to 3 per cent of your weight, but it consumes 20 per cent of the oxygen required by your whole body.

Revolutionary Groups Meeting in Cuba to Plot Guerrilla Wars President Ponders Aid to Detroit

WASHINGTON (AP)—While diverse investigators look toward weeks and months of studying racial disorder, President Johnson faces the immediate question of whether to set national precedent by declaring riot-scarred Detroit a major disaster area.

At almost the same time Johnson met with his new racial disorder commission Saturday, he ordered the Small Business Administration to make long-term, low-interest loans available to Detroiters seeking to rebuild in the wake of last week's riot.

But the decision did not carry with it any designation of the nation's fifth-largest city as a major disaster area—which would qualify it for federal grants to remove debris and restore essential public facilities.

The designation has been sought by Michigan Gov. George Romney and Detroit Mayor Jerome P. Cavanagh.

Cyrus R. Vance, Johnson's special emissary to Detroit, gave no indication when the decision might come. A riot has never led to such a designation. Coupled with Johnson's decision to dispatch federal troops to help quell the riot, federal actions in the Detroit case could set precedent for future riot cases.

The longer-range questions—what happened, why did it happen, what can be done to prevent it in the future—were put to the disorder commission by Johnson at a White House meeting.

He gave the commission until March 31 to submit a preliminary report and until July 29, 1968, to make a final report and recommendations.

The commission under Gov. Otto Kerner of Illinois will meet here Tuesday and at a site to be determined Wednesday.

Negro Charged With Burglary

Hope City Police Saturday arrested Charlie Lee Howard who has been charged with burglary. Officers said Howard broke into a house in the Negro residential area. The occupants notified police who took him into custody.

HAVANA (AP)—Latin American revolutionaries assembled in Havana today to echo Fidel Castro's call for guerrilla warfare from Detroit to Cape Horn. Stokely Carmichael, the U.S. Black Power advocate, is to be among the speakers at the nine-day meeting of the Organization of Latin American Solidarity.

Cuban President Osvaldo Dorticos is expected to deliver the keynote address at the opening session tonight. Prime Minister Castro is expected to wind up the meeting Aug. 8.

One key point in the agenda for the meeting calls for "support of the Negro people of the United States in their struggle against racial discrimination."

Since arriving in Cuba last Tuesday, Carmichael has been calling for American Negroes to take up guerrilla-type operations. He has endorsed missing guerrilla leader Ernesto "Che" Guevara's call for creation of more Vietnams for the United States and said racial upheavals in Detroit, Newark and other U.S. cities should be considered Vietnams.

Big delegations from the Viet Cong and North Vietnam are among the observers. The Puerto Rican Independence Movement is represented by its executive secretary, Juan Mari Bras.

Emmet Negro Is Stabbed to Death

Joe Luther Love, 35, Negro of Emmet, was stabbed to death early Sunday morning and his wife, Lola B. Love, 34, is being held, Hempstead Sheriff Jimmie Griffin said today.

The incident occurred about 5 a.m. Sunday. An ambulance was summoned but Love, stabbed in the groin, died before reaching a hospital.

Officers indicated the altercation followed an argument. Charges are expected to be filed today. Investigating were Sheriff Griffin and State Police Sgt. Travis Ward.

Large Crowd Opens First Assembly Meet

To an almost capacity crowd last night, Evangelist Jerry Knibbe gave the keynote message which opened the 1967 Indoor Camp Meeting at the First Assembly of God Church.

Reverend Knibbe opened the service by painting a oil painting entitled "The Valley of Peace."

In his message, taking his text from Judges chapters 17 and 18, he challenged the hearts and lives of all who were present. The Reverend Mr. Knibbe stated that we have a convenient religion today—a form or a ceremony—which we use only when we want to use it. He further added, "We would see a vast change if our religion was built on 'Knee-ology' instead of theology." Reverend Knibbe emphasized that we don't need more churches, but that we need power in the ones that we already have.

Services of the Indoor Camp Meeting will be held Tuesday through Friday of this week beginning at 7:30 p.m. each night. An invitation is extended to everyone.

Disastrous Weekend for U.S. Forces

By ROBERT TUCKMAN

SAIGON (AP)—After one of the most disastrous weekends for U. S. forces in the Vietnam war, the U. S. Command today reported 23 Marines killed and 191 wounded in an ambush in the demilitarized zone, and the ravaged aircraft carrier Forrestal arrived in the Philippines with 76 of her crew dead, 69 missing and 64 injured.

About 800 Marines invaded the buffer zone between North and South Vietnam Friday to raid Communist troops and gun positions. After reporting only light contact Friday, the Leathernecks were hit by a mortar barrage Saturday as they moved south along a narrow trail about 1,000 yards north of the zone's southern boundary.

Some source said the Marine toll was at least 30 dead and 150 wounded and might go as high as 50 killed and 350 wounded. After a daylong battle, 40 enemy dead were reported left on the battlefield.

"They had us in a crossfire," said 2nd Lt. John Lengslet of Portland, Ore., a platoon commander. "They would run across areas right where we had our machine guns."

The chain of fires and bomb explosions that ripped through six of the 10 decks in the after part of the 76,000-ton Forrestal Saturday was the worst U. S. naval disaster in a combat zone since World War II.

It was believed to have begun when an F4 Phantom jet, preparing to take off for an attack on North Vietnam, shot a sheet of flame from its jets and ignited a rocket on a plane behind it.

The missing men were below decks—many of them night watch airplane mechanics—who had just gone to sleep—or were injured men who jumped overboard to escape the fire and were drowned.

The last flames were extinguished 18 hours after the first blast. Twenty-six jet planes were either destroyed or jettisoned overboard in the first three hours of the inferno. Thirty-one were damaged, four of them probably beyond repair.

Officers on the Forrestal were reluctant to make any estimate of damage, but the plane losses alone are expected to amount to at least \$70 million, with damage to the ship possibly \$20 million more.

"But I feel that she will be back in action before too long," said Capt. John K. Bell of Harrington Park, N.J., her skipper. The engine rooms and steering mechanism escaped damage, and the carrier had no rips in her outer skin below the water line.

Club Told of Arkansas Opportunity

"Arkansas is a land of opportunity," the Hope Rotary Club and its guests were told Friday at the Town and Country, when Porter Briggs, executive secretary of Arkansas Careers, Inc., spoke to the group. He had spoken earlier in the day at the Red River Vo-Tech School and was presented at the club meeting by J. W. Rowe, director of the school.

"Arkansas is the 7th fastest growing state per capita income in the country," the speaker said, "and telling the Arkansas story is producing results." To illustrate this he said that people are now moving back to Arkansas and are getting jobs. Today, we actually have more jobs than people.

The non-profit organization, Arkansas Careers, Inc., has its headquarters in Little Rock and provides service to 590 companies throughout the state which belong to it. Its purpose is twofold—to help businessmen find suitable employees and to help college and university trained men and women realize career opportunities within the state. Club President Clyde Fouse had charge of the meeting and welcomed visiting Rotarians John McRae and O. W. Watkins of Prescott, as well as other guests, Gene Patterson of Wynne, Dale Franks, and Vince Foster.

Two Johnson Envoys Encounter Difficulties in Far Eastern Points

By JACK BELL

WASHINGTON (AP)—The political turbulence two of his envoys are encountering on a flying Far Eastern trip points toward fresh difficulties between President Johnson and Congress over Vietnam.

Gen. Maxwell D. Taylor and Clark Clifford, representing the President in a search for larger allied troop commitments, already have encountered a couple of diplomatic rebuffs and possibly face more.

Congress almost is unanimous in the belief that U. S. allies should contribute many more men to the Vietnam war that Johnson says is aimed primarily at saving Asia from communism.

There is sharp, though usually subsurface, criticism of the Philippines, Australia and New Zealand for not supplying more of the fighting manpower which Gen. William C. Westmoreland says must be beefed up to retain the offensive in the conflict with the Communists. Westmoreland is U. S. commander in Vietnam.

South Korea draws praise from U. S. senators and representatives for its willingness to contribute fighting men, even though there is general recognition the United States pays its costs.

If Taylor and Clifford fail to interest the allies in providing more troops, this may mean a heavier dispatch of U. S. combat forces to Vietnam and give new ammunition to congressional critics of Johnson's war course.

Philippine President Ferdinand E. Marcos canceled a scheduled conference with Taylor and Clifford, saying he had been to Vietnam recently and didn't need any American briefing.

Marcos is involved in a pending election, with increasing opposition to Philippine commitments in the war.

After they had conferred in Bangkok with Thai officials, Foreign Minister Thanat Khoman announced he saw no need for an allied summit conference Taylor and Clifford had hoped to arrange for this fall.

To some members of Congress, the situation in the Far East is similar to that prevailing in Europe.

Secretary of State Dean Rusk and Secretary of Defense Robert S. McNamara have said members of the North Atlantic Treaty Organization are not meeting their defense commitments in Europe but still don't want any U. S. troops withdrawn.

In testimony before a special Senate committee in closed sessions in April and May, made public in a censored version Sunday, both testified that world conditions would not permit any large-scale reductions in U. S. forces in Europe at this time.

Miller Takes New Police Dept. Post

LITTLE ROCK (AP)—The State Police Commission has named Lt. Col. Carl Miller as the disbursing agent for the Arkansas State Police Department, which apparently means there will be no disruption of salaries for the department's 406 employees.

Miller will be bonded, as required by law, and will be able to pay all bills and sign all payroll vouchers for the department.

The State Police director normally serves as disbursing agent, but there are legal questions clouding the appointment of Lynn A. Davis, who will be sworn in Tuesday. Atty. Gen. Joe Purcell has issued an opinion that Davis does not meet Arkansas residency requirements for the job.

State Auditor Jimmie "Red" Jones asked in light of that opinion whether he legally could accept the bond to be posted by Davis as disbursing agent and whether he could honor payroll vouchers signed by Davis.

76 Dead, 69 Missing on Forrestal

By GEORGE MCARTHUR

SAIGON (AP)—The aircraft carrier Forrestal, ravaged by flames and bomb blasts Saturday, limped into Subic Bay in the Philippines today and another fire broke out as she prepared to dock.

It was only a flash fire, nothing like the holocaust that left 76 of the crew dead, 69 missing and presumed dead, and 64 injured on the 76,000-ton carrier.

Knocked out of action in the aerial war in Vietnam, the Forrestal was replaced in the Gulf of Tonkin by the 38,500-ton Intrepid.

Aground, the U. S. Command said there was no significant action in 33 allied operations. But it reported 23 Marines killed and 191 wounded in a North Vietnamese ambush Saturday in the demilitarized zone between North and South Vietnam.

At Subic Bay, the cry of "Fire!" rang out from the Forrestal's loud-speaker system. No flames were visible to those on shore and Navy officials presumed the fire was small. The Forrestal later docked and no fire was visible aboard.

Krupp, German Industrialist, Dies at 59

ESSEN, Germany (AP)—Alfred Krupp von Bohlen und Halbach, destined to be the last sole owner of the historic Krupp industrial empire, died Sunday night just two weeks before his 60th birthday.

A spokesman for the Krupp firm said the death was caused by a weak heart. Krupp was not known to have been seriously ill although a family friend said he had been treated over the weekend for bronchitis.

Krupp died in the 15-room ranch style house where he lived alone in quiet luxury on the grounds of the family estate here.

His death came while he was in the process of the converting his huge holdings, which made him one of the richest men in Europe, into a public corporation.

His only son Arndt, 29, had already renounced inheritance of the firm, which has traditionally been passed on to a single member of the Krupp family. Alfred Krupp's death was not expected to change the plan to establish a Krupp corporation.

U.S. Grant for Hope Development

The office of Senator John L. McClellan notified The Star by telephone today of approval by the Department of Housing and Urban Development of \$88,000 for preparation of a General Neighbourhood central area in Hope.

Preliminary cost estimates indicate when completed a \$1,117,000 had grant will be required for the project and the City of Hope will later apply for a loan or grant contact. This amount has been reserved for the project.

Board Hedges at Land Sale

LITTLE ROCK (AP)—The Arkansas Board of Education hedged Sunday at selling 7.84 acres of land at Morrilton to the state Highway Department for \$10,000.

The board said it would cost \$25,000 to replace. The Highway Department wants the land at the Petit Jean Vocational Trade School for a section of Interstate 40.

Education Commissioner A. W. Ford said the board would like to buy 11.06 acres of land just south of the school's property, but he said the owner, Sheriff Martin Hawkins of Conway County, was asking \$25,000 for it.

Ford said the purchase of that land would be necessary to replace the land to be sold to the Highway Department.
